

## ***ATTENTION***

### **Pool Closure Details**

The pool closure has been rescheduled due to unforeseen permit issues. The pool will be closed starting May 30<sup>th</sup> for 12-16 weeks. The estimated time of completion is early September (depending on weather). We would like to apologize for any inconvenience this may cause, but it has come to our attention that the pool must be worked on. During the renovation of the pool, the immediate area around the pool will also be closed, but the grassy area will be available for use.

Regardless of the necessary work that has to be completed in the specified timeframe, some things will remain the same during your stay. You will have access to a bathroom, and chaise lounges will be available in the grassy areas so you will be able to choose where to enjoy the Florida sun. We are also considering putting chaise lounges behind building three where there is ample room.

We realize one of the reasons you visit Lehigh Resort Club year after year is because of the friendships that have developed. We will do everything possible to ensure your stay is enjoyable. Looking on the bright side, we know how resilient you are and we appreciate your patience while we complete a project that will enhance your ownership at the Resort for the years to come. We have put this off far too long, and it must now be taken care of.

There will be times during construction when the jackhammers will cause loud noises, especially in the beginning. The only other foreseen interruptions will be for deliveries of materials for the pool. Play of shuffleboard may be halted briefly for these interruptions. Some outdoor games will be moved to the basketball or tennis court.

Although we are not able to provide transportation to beaches and other water attractions because of liability issues, there are numerous taxis and Uber drivers in town to accommodate you.

If you have any questions, please call the Resort at 239-368-2022.
